

TUTORING

Get the help you need from a local certified K-12 teacher with over 15 years of teaching experience with a variety of ages, in both schools, and Sylvan Learning Centre.

If you think you need help or extra practice in any of the following areas maybe tutoring is for you:

- Extra help with homework
- Strategies for success in specific subject areas
- Learn study habits
- Want to get ahead in English or math
- Someone to help you study
- More practice in any subject area
